KEY FACTS, AT A GLANCE

RATING	**Moderate.** The week's constraints are the Columbus Day Parade bus reroutes on Monday, the Green and Pink Line interruption in the West Loop from Tuesday, a two-venue evening on Wednesday, thunderstorms on Thursday, strong wind on Friday, and Saturday's lakefront and State Street closures.[1, 2, 3, 4, 5, 6, 7, 8] Each one slows movement on a known day and within a known footprint; none removes an expressway, DuSable Lake Shore Drive or a rail corridor without a substitute service.[9, 1]
WORST WINDOW	**Wednesday 14, from 19:30 CDT, Soldier Field and the United Center.** Chicago Fire FC host the Philadelphia Union at Soldier Field from 19:30 CDT, and the Smashing Pumpkins play the United Center from 20:00 CDT.[4, 3] Soldier Field has a venue maximum of 63,500.[10] Balbo Drive between Columbus Drive and DuSable Lake Shore Drive, on the Soldier Field approach, is closed until Friday 16 at 15:00 CDT, and from Tuesday 13 at 04:00 CDT the Green Line runs in two sections.[11, 12, 1] End times not stated.
ROUTE REMOVED	**None without a substitute.** From Tuesday 13 at 04:00 CDT to Monday 26 at 04:00 CDT, Green and Pink Line trains do not run between Clinton and Clark/Lake while CDOT replaces portions of the Lake Street bridge. Free buses link Clinton and Clark/Lake for the Green Line; the Pink Line runs between 54th/Cermak and Polk, with a transfer to the Blue Line at Racine.[1]
AIR TRAVEL	No ground stop, ground delay program or closure at O'Hare or Midway in the FAA airport-status file at its 03:36 CDT update on Monday 12. No Illinois-specific temporary flight restriction is listed.[13, 14]
WEATHER	Record warmth on Monday: O'Hare broke its daily record high for 12 October, and the Loop forecast high is near 85 with south-southwest gusts to 25 mph. Showers and thunderstorms Tuesday night into Wednesday morning and again on Thursday, when the hourly forecast carries thunder from 13:00 to 19:00 CDT. Northwest wind 15 to 25 mph Friday. Sunny and cooler at the weekend, highs 57 Saturday and 62 Sunday.[5, 6, 7] No NWS watch,

warning or advisory at the Loop forecast point at 18:08 CDT on Monday 12. A Small Craft Advisory covers the Illinois nearshore waters from 13:00 CDT Monday to 04:00 CDT Tuesday.[15, 16]

CPD ALERTS

23 pattern alerts counted in 30 days across 17 districts. 7 robbery-classified. 5 multi-district. Following this brief's standing practice, sexual-offense alerts are listed in section 05 but not counted; 7 fall in this period.[17]

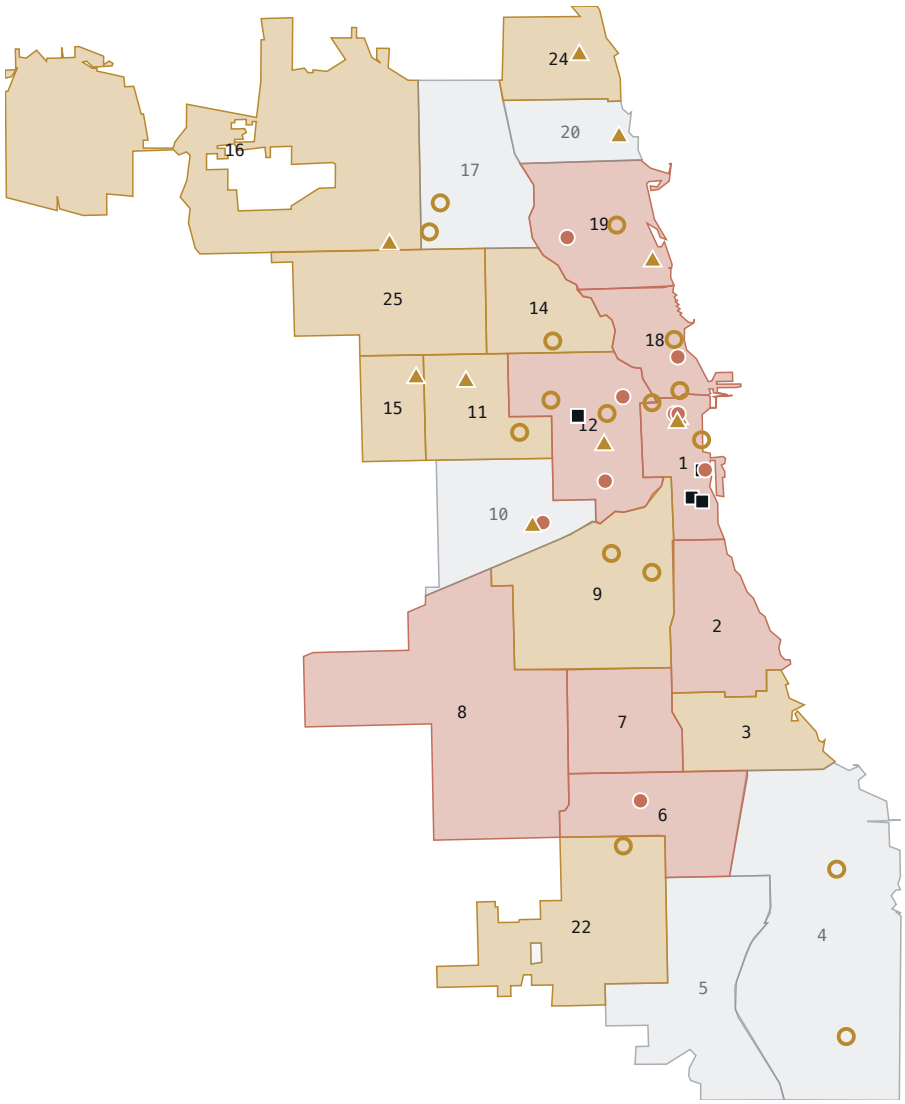
CLEAR

No home game for the Cubs, White Sox or Bears: both MLB schedules list no games from 12 to 25 October, and the Bears play at Atlanta on Sunday 18.[18, 19] No full closure of DuSable Lake Shore Drive is on file.[9] No Illinois-specific temporary flight restriction is listed.[14] No WARN notice in the region has a first separation date inside the window.[20]

01 Districts and what lands in them

MAP

Shading counts the CPD pattern alerts that name each district, published 12 September to 11 October 2026, the 30 days before the window. The layers show full street closures from City permits and the located venues, gatherings and works listed in sections 03, 04 and 06.[17, 9, 21] Sexual-offense alerts are listed in section 05 and are not counted in the shading. The Closures column counts distinct full-closure permits whose rows fall in the district at any point in the window; most are utility and construction openings in the public way.[9]



Shading counts CPD pattern alerts published 12 September to 11 October 2026, by district named in the alert; it counts police publications, not offences. The closures layer draws the 634 permits holding a full street closure active 12 to 18 October 2026. The combined layer places every venue, festival, gathering, closure and filming item located in this edition. Verified venues sit at their own checked position, addresses at the US Census point, and permitted events and closures on the coordinates their permit rows carry. Items the table marks “placed approximately” sit on the calibrated address grid.

02 Week risk dashboard

8 DOMAINS

Ratings score constraint on movement, not danger.

DOMAIN	RATING	WHY
Overall travel	MODERATE	No day removes an expressway, DuSable Lake Shore Drive or a rail corridor without a substitute service. The constraints are 16 parade bus reroutes Monday from 09:00 or 11:30 to 16:00 CDT, the Green and Pink Line interruption from Tuesday, Wednesday evening's two venues, Thursday's thunderstorms and Saturday's closures on the Museum Campus and State Street.[1, 10, 6, 8] Rule: each is a predictable slow-down on a known day; none removes a route or a capacity without a substitute.
Street closures	MODERATE	93 special-event permits touch the window: 65 block parties, 21 festivals, 3 farmers markets, 3 athletic events and 1 sidewalk sale.[8] Special-event full-closure permits dated for a single day number 2 on Monday, 3 on Friday, 55 on Saturday (49 of them block parties) and 14 on Sunday, with none on Tuesday to Thursday.[8] The through streets closed for events are State Street from Madison to Jackson and Museum Campus Drive, both on Saturday 17, each with east-west or parallel streets open. Rule: closures with printed dates and parallel routes are Moderate.
Stadium and arena load	MODERATE	Three venues have events. The United Center hosts five: Monday and Wednesday (concerts) and Tuesday, Thursday and Saturday (hockey). Soldier Field (63,500) hosts Wednesday, and Wintrust Arena (10,000) hosts Friday and Saturday.[3, 22, 4, 23, 24, 10, 25] Two venues are in use on Wednesday evening (Soldier Field from 19:30 CDT and the United Center from 20:00 CDT) and on Saturday evening (the United Center from 18:00 CDT and Wintrust Arena from 20:00 CDT). Rule: event egress is a predictable slow-down.
Air travel	LOW	Neither O'Hare nor Midway appears in any ground stop, ground delay program or closure list in the FAA file at 03:36 CDT on Monday 12.[13] Eight VIP flight restrictions are listed nationally, none Illinois-specific.[14] Rule: no scheduled constraint at either airport at the read time.
Ground transport	MODERATE	65 CTA alerts overlap the window, 40 of them planned reroutes, and none is flagged a major alert.[1] Green and Pink Line service is interrupted between Clinton and Clark/Lake from Tuesday 13 at 04:00 CDT, with a bus substitute. The Blue Line single-tracks from 22:00 to 04:00 CDT between Addison and Montrose Monday to Wednesday and between Irving Park and Jefferson Park on Thursday. Elevators are out of service at Roosevelt (Red) and Washington/Wabash.[1] Rule: reduced service with substitutes and printed ends is Moderate.

DOMAIN	RATING	WHY
CPD alerts	LOW	23 counted pattern alerts were published 12 September to 11 October across 17 districts, 31 district mentions. 7 are robbery-classified by the type printed on the alert, and 5 name more than one district. The 1st carries 5, the 6th 4 and the 7th 3.[17] Rule: an alert describes past incidents and imposes no scheduled constraint on movement. Alert volume measures how often the Department publishes a notice.
Weather	MODERATE	Probability of precipitation is 74 percent Tuesday night, 51 percent Wednesday and 80 percent Thursday and Thursday night. The hourly forecast carries thunder from 22:00 CDT Tuesday, from 00:00 to 04:00 CDT Wednesday and from 13:00 to 19:00 CDT Thursday.[5, 6] Friday's northwest wind is 15 to 25 mph in the point forecast.[5] Rule: forecast storm and wind periods with defined ends are Moderate.
Planned gatherings	MODERATE	The Columbus Day Parade steps off on Dearborn Street at 12:30 CDT Monday, with 16 CTA reroute alerts running to 16:00 CDT.[2, 1] On Saturday 17, three "No Kings: Vote Early" gatherings are listed in the region, at 17 W Adams St, at Sheridan Rd and Berwyn Ave, and at North School Park in Arlington Heights, and a separate "ICE Melts" gathering is listed at Clark St and Morse Ave; none states a size.[26, 27, 28, 29] Rule: a parade with a printed route and reroute hours is a predictable slow-down with a defined end.

> NOTE ON UNPERMITTED ASSEMBLY
>
> Where this brief notes that a gathering is unpermitted, that is a statement about **data availability** and nothing else. Peaceful assembly and protest are protected activity. TB Defense reports gatherings solely because they affect how long it takes to move through a street, and takes no position on the subject, organisers or participants.

07 Since the last edition

Week Ahead No. 7 (5 to 11 October), scored. Every day was dry, as forecast; O’Hare recorded a trace of rain on Friday 9, the day sprinkles were forecast. Observed highs ran 3 to 12 F above the forecast every day, the widest gap on Saturday 10, when O’Hare reached 80 and Midway 81 against a forecast of 69. Peak gusts reached 30 mph at O’Hare and 31 mph at Midway on Tuesday 6, against a forecast of gusts to 25 mph.[41] No NWS alert named Cook County from 5 to 12 October. The Lake County Flood Warning on the Des Plaines River was cancelled at 22:54 CDT on Tuesday 6, ahead of its updated end of 07:00 CDT on Wednesday 7.[42]

Events. The Blackhawks played the United Center on Tuesday 6 and Saturday 10 at the times printed.[22] ALDS Game 3 was played at Rate Field on Wednesday 7 at 15:00 CDT as printed; Game 4 was played on Thursday 8 at 19:00 CDT. The White Sox were eliminated at Cleveland on Saturday 10, and no Rate Field date remains in this window.[43]

CPD alerts. Five counted alerts were published after the previous edition's feed reading: JK438007 (1st) and 26-CWP-027 (2nd and 6th) on 5 October, JK420398 (15th) and P26-2-015 (6th and 22nd) on 6 October, and P25-02-016CA (6th) on 11 October. Four older alerts left the 30-day look-back. The count moves from 22 to 23, districts from 15 to 17 (26-CWP-025 is now shown as the 24th, as its PDF prints, where No. 7 showed the 14th), robbery-classified alerts from 5 to 7 and multi-district alerts from 3 to 5.[17, 44]

Closures. The Grant Park marathon closures end in stages: Jackson Drive from Columbus to DuSable Lake Shore Drive reopens at 06:00 CDT Monday 12, Balbo Drive from Michigan to Columbus and Columbus Drive at 15:00 CDT Monday 12, and Balbo Drive east of Columbus at 15:00 CDT Friday 16.[11, 12]

Corrections to No. 7.

- ALDS Game 4 at Rate Field on Thursday 8 October started at 19:00 CDT, not 16:00 CDT as printed.[43]
- IDOT rescheduled the I-290 bridge work at Sacramento Boulevard to begin Tuesday 13 October, not Thursday 8 October, and moved the Sacramento Boulevard closure to early November from mid-October.[33]

In the news

Chicago

- **UNITE HERE Local 1 members strike at six downtown hotels.** On Friday 9 October, members walked out at the Millennium Hotel Knickerbocker, Palmer House Hilton, Sheraton Grand Chicago Riverwalk, Waldorf Astoria, The Westin Chicago River North and The Westin Michigan Avenue, with pickets outside the Sheraton Grand Chicago Riverwalk, 301 E North Water St, from about 7 a.m. CDT. The union said it is prepared to continue taking action until an agreement is reached. WTTW reported at 13:00 on Monday 12 October that the strike remains ongoing at all six hotels.[45, 46, 30] For protective details: principals lodging at the named hotels should confirm service levels and entrance access with the property.

World

- **Houthi-claimed strike halts departures at Riyadh airport.** On Thursday 8 October, explosions were reported in Riyadh, including at King Khalid International Airport. Yemen's Houthis claimed a missile strike that Saudi authorities had not confirmed. Departures were halted and passengers were told to evacuate the terminal without checked luggage. For protective details: Gulf itineraries need alternate routing and an evacuation plan that assumes baggage is abandoned.[47, 48]
- **US Embassy in Addis Ababa warns of possible long-range attacks on Ethiopian military sites.** A security alert dated 7 October, reported on 8 October, cites reports of possible attacks on military installations during October and repeats advice not to travel to the Amhara, Tigray and Afar regions. For protective details: travellers near military sites should plan for telephone and internet outages.[49]

- **Johannesburg kidnap victim rescued, five arrested.** A 38-year-old man abducted in the Johannesburg central business district on 30 August, with a reported ransom demand of US$2 million, was safely rescued at a property in Randfontein. Police arrested three men on Sunday 4 October and two more at the property. eNCA reported the rescue on 6 October. For protective details: the case supports early notification of authorities and a standing kidnap-and-ransom response contact.[50]

EP and VIP

- **Arkansas man charged over threatening voicemails to two members of Congress.** On Wednesday 7 October, federal prosecutors announced the arrest and indictment of a 62-year-old Arkansas man on two counts of interstate transmission of threatening communications, over voicemails left in 2025 for two Massachusetts members of Congress. The charges are unproven. For protective details: threatening voicemails and message logs should be preserved and escalated, not deleted.[51]

09 Workforce disruption

WARN FILINGS

No WARN notice in the region has a first separation date inside the window. Six notices that began earlier list schedules that run through it, and one supplemental notice adds 431 workers from 6 October to on or about 5 November. Two sites are in the City. TV Hardward Distribution, 8600 W Bryn Mawr Ave, lists 101 separations for October without day-level dates. Heartland Human Care Services (SAFEty Admin), 4822 N Broadway Ave, files a supplemental notice for 40 additional workers with a closure on 12/31/26 and no separation date inside the window. The others are in Cook, Will, DuPage and Lake counties. In the 30 days after the window, 19 October to 17 November, six notices list 803 people: five notices

with dated first separations list 692, of whom 100 are out-of-state workers named on the Success Lending notice, and one supplemental notice (Norvax and GoHealth, Chicago) lists 111 from 5 November. The county printed for one of the five, Heartland Human Care Services, 407 N Kedzie Ave, is “c”.[20]

10 Asked and answered

Is State Street closed this week?

Partly. Southbound State Street is closed from Wacker Drive to Randolph Street to 31 December for the State/Lake station rebuild, and the State/Lake ‘L’ station is closed. On Saturday 17 State Street is also closed from Madison Street to Jackson Boulevard for the Loop Arts Fest, with east-west streets open. The Columbus Day Parade on Monday 12 uses Dearborn Street, from Wacker Drive to Van Buren Street, from 12:30 CDT.

What is the worst window for movement in Chicago this week?

Wednesday 14 October from 19:30 CDT, when Chicago Fire FC host the Philadelphia Union at Soldier Field and the Smashing Pumpkins play the United Center from 20:00 CDT. Soldier Field has a venue maximum of 63,500. Balbo Drive east of Columbus Drive stays closed until Friday 16 at 15:00 CDT, and Green Line trains do not run between Clinton and Clark/Lake from Tuesday 13 at 04:00 CDT. Saturday 17 carries the most constraints of any single day.

Which streets are closed for events?

93 special-event permits touch the week, 65 of them block parties. The main event closures are N Rush Street at 1031–1051 on Monday 12; State Street from Madison to Jackson, Museum Campus Drive from McFetridge to Waldron, Waldron Drive and S Wabash Avenue at 400–500 on Saturday 17; and W 26th Place, S Rockwell Street and S Washtenaw Avenue in Little Village on Sunday 18. Balbo Drive between Columbus Drive and DuSable Lake Shore Drive remains closed from the marathon to Friday 16 at 15:00 CDT.

Will weather delay flights at O'Hare or Midway?

Neither airport had a ground stop, ground delay program or closure in the FAA status file at 03:36 CDT on Monday 12. The weather most likely to affect flights is the band of showers and thunderstorms from Tuesday night into Wednesday morning, with thunder from 22:00 CDT Tuesday to 04:00 CDT Wednesday, and again on Thursday, with thunder from 13:00 to 19:00 CDT. Friday brings northwest wind of 15 to 25 mph.

How many CPD alerts are open?

23 counted pattern alerts were published by the Chicago Police Department from 12 September to 11 October 2026, across 17 districts. 7 are robbery-classified and 5 name more than one district; the 1st District carries the most, 5. Following standing practice, 7 sexual-offense alerts in the same period are listed but not counted. Alert counts measure how often the Department publishes a notice, not how much crime occurred.

What is the forecast?

O'Hare broke its daily record high for 12 October on Monday, when the Loop forecast high is near 85 with gusts to 25 mph, and Tuesday is sunny, near 80. Showers and thunderstorms arrive Tuesday night and continue into Wednesday morning, with a high near 67 and a 51 percent chance of rain, and return on Thursday, high near 62, with an 80 percent chance. Friday is partly sunny and windy, high near 58, and the weekend is sunny and cooler, with highs near 57 Saturday and 62 Sunday. The forecaster gives overnight lows Friday and Saturday in the 30s outside Chicago, which may bring the first frost of the season.

11 Ratings and color coding

HOW TO READ THE SHADING

Each rating scores how much something **constrains movement** across the period. None of them scores danger, and none of them scores a place.

LOW

No scheduled constraint. Normal routes, nothing on the calendar that changes them.

MODERATE

A predictable window will slow movement, and it has a defined end: stadium egress, a festival footprint, a holiday return build.

HIGH

A route or a capacity is **removed** rather than reduced, and there is no equivalent substitute.

DISCLAIMER ON THE RATINGS

The ratings are **TB Defense's own editorial judgement**, not an official designation and not a statistical model. They describe conditions as of publication and go stale. A Low rating is not an assurance of safety and a High rating is not a prediction of harm. Ratings apply to **movement across the region**, never to a neighborhood, a community or a group of people.

DISCLAIMER AND PUBLISHING SCHEDULE

The Week Ahead publishes every Monday at 06:00 and covers the following seven days, except when Monday is a federal holiday, in which case it publishes Tuesday and covers a shorter window. The Weekend Brief publishes every Friday at 06:00 and covers Friday through the following Tuesday. Both cover the Chicago metropolitan region. TB Defense, 1021 W. Adams St., Suite 200-37, Chicago, IL 60607.

Sources. Everything here comes from open, publicly available sources. Agencies revise forecasts, venues change start times, listings disagree, permit records show filings rather than street conditions, and police alerts describe preliminary information. TB Defense publishes what the record says at the time of writing and corrects the web edition when it changes.

People named in this brief. Public officials are named in their official capacity where a source has quoted or attributed a statement to them. People involved in pending matters, and victims of reported incidents, are described by role and not by name, even where a news source has published the name. Reports of investigations describe allegations only, and every person in a pending matter is presumed innocent.

Chicago Police Department material. CPD alerts summarized here come from the Department's public news feed. TB Defense is not affiliated with, endorsed by, or acting on behalf of the Chicago Police Department, and nothing in this brief is a CPD statement or official law enforcement guidance. Anyone with information about a reported incident should contact CPD directly, not TB Defense.

Scope and limits. This brief reports publicly available information reviewed near publication time. Events, closures, demonstrations, law enforcement activity, weather, infrastructure and aviation conditions change without notice. The absence of a reported threat, demonstration, incident or closure here does not confirm the absence of risk. This publication is informational. It is not security advice, not a recommendation for any organization or circumstance, and not a substitute for checking conditions immediately before movement. It creates no undertaking by TB Defense to detect, predict or warn of any event.

Not advice about people or places. Nothing here rates a neighborhood, a community or an individual, and district shading counts police publications rather than offences.
